MARIETTA COLLEGE

When you're a Pioneer, you're part of a diverse and vibrant campus experience

Celebrating its 175th anniversary during the 2009-10 academic year, Marietta College is a four-year liberal arts college located in Marietta, Ohio at the confluence of the Muskingum and Ohio rivers. Tracing its roots to the Muskingum Academy begun in 1797, the College was officially chartered in 1835. Today, Marietta College serves a body of 1,400 full-time students. The College offers 42 majors and has been listed among Baron's Best Buys in College Education and Peterson's Competitive Colleges, and has been recognized as one of the top regional comprehensive colleges by U.S. News & World Report and The Princeton Review as well as one of the nation's best by Forbes.com.

In 1835, Marietta College received its charter from the State of Ohio to offer college-level degrees. Marietta College now includes more than 40 buildings over 129 acres located two blocks from downtown Marietta. Marietta College is a private, nonsectarian, coeducational, contemporary liberal arts college. As an institution of higher education, Marietta College seeks to prepare highly qualified graduates through its educational programs. Consistently ranked by U. S. News and World Report among the best liberal arts colleges in the Midwest, Marietta has attained national recognition for many of its programs, including studies in leadership education.

The faculty at Marietta College are one of the school's best assets. "Teaching is my calling, not my job," says Dr. Mabry O'Donnell, professor of communication and media studies. "I enjoy seeing the changes students make over the course of their academic careers."

The community of Marietta, Ohio, was settled in 1788 by Revolutionary War veterans and became the first settlement of the Northwest Territory. Now a city of 14,000, Marietta saw its greatest growth during the oil boom of the late 19th century. Still, Marietta has retained a particular pioneer spirit of independence and outward New England charm. Its historical significance also makes Marietta a popular location for tourists around the country.

Marietta is a riverboat town situated at the confluence of the Ohio and Muskingum rivers, and many of the community's most important celebrations and activities are associated with the rivers.

Marietta is part of the Marietta-Parkersburg metropolitan area, which has a population of more than 130,000. It is located 120 miles southeast of Columbus, Ohio; 140 miles southwest of Pittsburgh, Pa.; and 90 miles north of Charleston, W.Va.

Direct air service is available from Washington, D.C., with multiple daily flights out of the Mid-Ohio Valley Airport in Wood County, W.Va., located five minutes from Marietta. There is also a Lakefront Lines bus stop on the College campus, and tickets can be purchased through Campus Services.

CONTINUED PROGRESS

Pioneers feature 21 lettermen in 2009

It will be another growing year for the Marietta College football team in 2009. Second-year Head Coach Jeff Filkovski admits that the Pioneers' roster will once again be bottom-heavy in its class makeup, but the squad has the talent to compete each week against its Ohio Athletic Conference opponents.

Marietta's game plan will remain the same in 2009. It will revolve around running the football and a "get after it" approach on defense. The Pioneers welcome 46 players back from last year's squad. That core is comprised of 21 lettermen—six seniors, seven juniors and eight sophomores—and features nine returning starters on offense and seven more on defense.

All-OAC honorable mention pick Clinton Thompson as well as George Davis and Corey Lemke will anchor the defensive backfield again as seniors. Sophomore Dan Starr is back as a starting linebacker, while juniors Adam Tate and Pete Santagate and sophomore Cody Andrews return on the defense line. Lemke also returns as the Pioneers' place kicker.

Senior All-OAC honorable mention running back Lamar Hunter, aided by junior fullback Rich Klingel, will carry the offense, while sophomore Andrew Keller will lead the competition for snaps at quarterback. Junior Cory Kriechbaum and sophomore Jahmaal Jones both return as wide receivers; junior Zach Lashaway is back at tight end. The offense line will return seniors George Frisch and Chris Carter as well as junior Antony Santilli and sophomore Matt Myers.

Here is a look at the Pioneers by position:

Quarterback: Sophomore Andrew Keller, who earned valuable experience as a freshman, will lead the competition for the starting quarterback job. Keller appeared in six games, starting the final three, and completed 27-of-39 (.692) passes for 323 yards and three touchdowns. Sophomore Kyle Shackle, who saw action in two games, and a group of freshmen will push Keller throughout the season.

Running back: All-OAC running back Lamar Hunter will be the primary ball carrier in 2009. Hunter paced Marietta with 135 carries for 557 yards and one score while adding 13 catches for 100 yards and another touchdown a year ago. Sophomore Mat Fling, as well as some freshmen, will challenge Hunter for time on the field this fall. Junior Rich Klingel returns for his second years as the team's fullback. Sophomore Mike Ecenbarger will also see action at this position in 2009.

Wide receiver: Junior Cory Kriechbaum and sophomore Jahmaal Jones are back after earning starting roles at wide receiver in 2008. Kriechbaum led all wide outs with 43 grabs for 417 yards and one score. Jones added 16 receptions for 176 yards and a team best three touchdowns. Senior Sam Walz and sophomores Chad Walker and Jeffrey Wright also return after seeing varsity action a year ago. In addition, junior Alex Strittmatter as well as a host of newcomers will look to impact the squad this season.

Tight end: Junior Zach Lashaway will work to hold down the starting tight end job for a third straight year. In 2009, he pulled in seven receptions for 114 yards while also helping open holes for the Pioneer running backs.

Offensive line: Five players with starting experience at four positions return to the offensive line in 2009. Senior George Frisch is back for his third straight season at left tackle, while sophomore Matt Myers started all 10 games at left guard last season. The right side will once again feature senior guard Chris Carter and junior tackle Cameron Kiger. Sophomore Chris James will look to fill the lone vacancy at center, while junior Antony Santilli, who filled in for an injured Kiger during the final four games, as well as junior Cody Hopkins will push the other members of the line for playing time throughout the season.

Defensive line: Senior Adam Tate, junior Pete Santagate and sophomore Cody Andrews give Marietta three starters back from its four-lineman set in 2008. Tate, an end, ranked fourth on the team with 49 total hits, while leading the way with 9.5 tackles for loss and 3.5 sacks. Santagate and Andrews added 21 and 29 tackles, respectively, from the tackle positions. Junior Isaiah Hill and sophomore Tarek Nusseibeh also return with varsity experience.

Linebacker: Sophomore Dan Starr is the lone returning starter in the linebacking corps for 2009. Starr finished with 28 hits from the weak side. Junior Joe Williams will be asked to play more of a role in the game plan after making 13 tackles in five games last season. Junior David Balent and sophomores James Borwell and Kevin Donnellan will also compete for playing time in the middle of the defense.

Defensive backfield: Three of the four starters return to the defensive backfield in 2009. Senior safety George Davis led all tacklers with 67 hits, 45 solo stops, last year. Senior All-OAC corner back Clinton Thompson was not far behind in third place with 54 tackles. In addition, senior Corey Lemke added 44 stops from the other corner position. Junior Tyler Ragan will compete with sophomore Jake Depp, John Derosa, Rodney Endicott and Zach Alcorn for opportunities in the secondary. All five players saw action last season and will look to increase their impact on the field in 2009.

Special teams: Senior Corey Lemke is back for his final season as the team's place kicker. Lemke connected on 4-of-7 field goals and 12-of-17 extra points in 2008. Sophomore Cody Andrews is expected to handle the long snapping job this season. With no returnees, there will be an open battle for the punting duties during camp this season. Marietta is expecting to rotate a host of speedsters back to receive punts and kickoffs in 2009. Junior Cory Kriechbaum handled all of the punts and finished with 11 returns for 90 yards in 2008. Senior George Davis, who had the lone touchdown, as well as Kriechbaum and sophomore Chad Walker, shared responsibilities during kickoffs last season.

Schedule: The Pioneers will look to begin the season on the right track for the eighth time in 10 years when they play host to Thiel in the fifth annual River City Bowl on Sept. 5. After a bye in week two, Marietta will open OAC play at home against Wilmington on Sept. 19. The Pioneers' first road challenge will be at Baldwin-Wallace on Sept. 26 before hosting Capital on Oct. 3 and then visiting John Carroll on Oct. 10. Ohio Northern will visit Don Drumm Stadium for Homecoming on Oct. 17. The Pioneers will then travel to rival Muskingum for a Shrine Game match-up on Oct. 24 and then return home for a Senior Day game against Otterbein on Oct. 31. Marietta will then close out the year at Heidelberg on Nov. 7 and at Mount Union on Nov. 14.

HEAD COACH JEFF FILKOVSKI

Coach Filkovski begins second season as head coach

Jeff Filkovski (Fil-kow-ski), the 2007 Ohio Athletic Conference co-Assistant Coach of the Year, begins his second year as the head football coach at Marietta College in 2009.

In his first year, Filkovski coached three Pioneers to All-OAC honors while laying the foundation for his tenure at Marietta. Senior Grant Cowell picked up All-OAC second team honors, while juniors Lamar Hunter and Clinton Thompson both received All-OAC honorable mention.

"The coaching staff and I are excited about this fall," Filkovski said. "We have a good core of guys that have taken ownership of the program and will continue to lead us in the right direction."

Filkovski, who has coached at both the collegiate and professional level, was the offensive coordinator at Heidelberg University in 2007. The Student Princes' offense ranked in the top five in the league in nine different offensive categories highlighted by its scoring offense (25.1), pass efficiency (138.7) and its red zone offense (32-of-41 scores), which all ranked third.

Overall, Heidelberg racked up 3,449 yards of total offense, with 1,342 yards coming on the ground. Heidelberg's rushing game provided 15 touchdowns, which eclipsed its total rushing touchdowns over the last five years combined. Through the air, Heidelberg had 2,107 yards and 14 touchdowns.

Prior to joining Heidelberg, Filkovski was the offensive coordinator for the Cologne Centurions of NFL Europe. The Centurions had the second-ranked offense in the league and finished 6-4.

He began his coaching career as a quarterback coach/recruiting coordinator at the College of Holy Cross from 1992-95. Filkovski also spent one season as the quarterback coach at Thomas More College and four years in the same role at the University of Cincinnati. During his time at Cincinnati, the Bearcat squad earned the 2002 Conference USA title. He started at Cincinnati as a graduate assistant in 1996 and was elevated to tight ends coach and recruiting coordinator in 1998.

Filkovski had an outstanding career as a quarterback at Allegheny (Pa.) College, where he earned a Bachelor of Arts in Psychology. In 1990, while being named the Football Gazette Division III Offensive Player of the Year and the Associated Press Little All-American Quarterback, Filkovski led the Gators to a 13-0-1 record and the NCAA Division III National Championship. The Pittsburgh native was also a prep standout in football and baseball at Penn-Trafford.

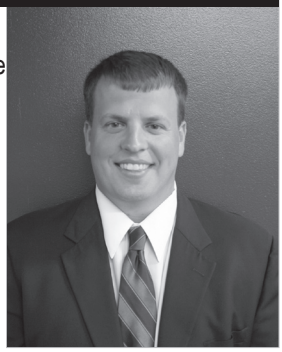

Filkovski, who lives in Marietta with his wife Stacy, will have a balance of familiar and fresh faces helping him lead the Pioneers in 2009. Denny Dorrel will be the defensive coordinator, Mark Jochum the offensive line coach and recruiting coordinator and Drew Mohr the defensive backs coach and strength coordinator for a second straight season. In addition, Rashawn West (linebackers) and Doug Blakowski (running backs) both return for another season in 2009. Joining the staff in 2009 will be Josh Jones (wide receivers) and Matt Daniels (tight ends).

A native of Brookville, Indiana, Dorrel spent five seasons with the Saints, serving as the defensive line coach for three seasons before moving up the defensive coordinator role. While the defensive coordinator at Thomas More, he coached 15 All-Presidents' Athletic Conference (PAC) players and four All-American standouts. In 2006, Dorrel led the top-ranked defense in PAC, which also finished 25th in the nation. Dorrel also served as the men's head tennis coach from 2005-06.

Jochum earned two varsity letters as a member of the offensive line and the long snapper for the Blue Streaks. His leadership and dependability as a senior earned him the "Unsung Hero Award."

After graduating with a Bachelor of Arts in elementary education, he spent two seasons as an intern on John Carroll's staff. While with the Blue Streaks, Jochum served as an offensive line coach, recruiting coordinator and assistant strength and conditioning coach.

In 2005, Jochum moved on to Franklin (Ind.) College where he spent the last three years as an assistant with the Grizzlies. Once again, he served as the team's offensive line coach, as well as run-game coordinator, recruiting coordinator and strength and conditioning coordinator.

OAC FOOTBALL

The Ohio Athletic Conference is home to the best D-III football in the nation

A lot can be said for a conference that has had the national champion in 10 of the past 16 years. The words "national champion" speak volumes and are an indication of the caliber of play within the Ohio Athletic Conference (OAC).

Nowhere in the country can you find a conference as rich in tradition that plays the best non-scholarship level football around. That is why year after year the OAC and its 10 member institutions pride themselves on being the best in Division III.

As the OAC enters its 107th year of football it will look to continue the tradition of success it has experienced at the national level, especially over the past 16 years. Mount Union has carried the torch, appearing in 14 consecutive NCAA semifinal games and capturing national titles in 1993, 1996-98, 2000-02, 2005-06 and 2008. In nine of the last 12 years, the OAC has sent at least two teams to the playoffs: Baldwin-Wallace in 2003, Capital in 2005, 2006 and 2007, John Carroll in 1997 and 2002, Ohio Northern in 1999 and 2000 and Otterbein in 2008. Look for the Conference teams to go to battle during the regular season with hopes of once again sending two or more teams to the NCAA playoffs.

The 2008-09 year proved, once again, why the OAC is one of the most prestigious Division III conferences in the country. The Mount Union football team won its 10th national title. The Ohio Northern volleyball team made its ninth straight NCAA Tournament appearance and the program recorded its 32nd straight winning season. The Heidelberg volleyball team made its second straight appearance in the NCAA Regional Semifinals.

Ohio Northern softball made its first NCAA Championship appearance. Heidelberg wrestling qualified a program best six student-athletes to the NCAA Tournament. The John Carroll and Capital men's basketball teams advanced to the NCAA Sweet 16. The Otterbein women's golf team placed fifth, while the Otterbein men placed 13th at the NCAA Championship. Mount Union men's tennis advanced to the second round of the NCAA Tournament. In addition, Ohio Northern's Jimmy O'Brien claimed the indoor 800-meter run title.

Individually, the Conference was represented by over 50 All-America selections. Academically, the OAC boasted numerous CoSIDA ESPN the Magazine Academic All-Americans, along with regional and national coaching honors.

The Ohio Athletic Conference, the third oldest conference in college athletics, is predated only by the Michigan Intercollegiate Athletic Association (1888) and the Big Ten (1895). The Conference is older than the World Series and even the NCAA itself and has survived two world wars, the Great Depression, the Korean War and the Vietnam Conflict. From a modest beginning of six charter members in 1902, the OAC grew to as many as 24 members in the mid-1920s.

Through the years, a total of 31 colleges and universities at one time or another have been members of the OAC. Currently the Conference consists of 10 members, including Baldwin-Wallace College, Capital University, Heidelberg University, John Carroll University, Marietta College, Mount Union College, Muskingum University, Ohio Northern University, Otterbein College and Wilmington College. Wilmington became the 31st OAC member school on July 1, 2000.

In the OAC's first year of existence, 1902, the first Conference champion was crowned Case Tech won the football title with a 5-0-0 record. Outdoor track was added a year later and a third sport, cross country, became a Conference sport in 1914. More sports were steadily added to the OAC's repertoire throughout the years, culminating in the addition of women's sports in 1984. The Conference currently sponsors championships in 21 sports, 11 men's and 10 women's.

The enrollments at the 10 OAC institutions range from 1,200 to 4,500. All of the schools were founded in the 19th century and have long and outstanding academic reputations. While maintaining these high academic standards, Ohio Athletic Conference athletic teams and athletes have consistently enjoyed a great deal of success on a regional and national level. The athletic competition is viewed not as an end in itself, but as an extension of the educational programs.

LEARNING CURVE

Pioneers adjust to new leadership in 2008

Marietta College football, under the direction of first-year Head Coach Jeff Filkovski, battled its Ohio Athletic Conference (OAC) competition each and every week in 2008. While the Pioneers finished just 2-8 overall and 1-9 in league play, they set the foundation for future success on the gridiron.

Marietta opened its season on the road for a third straight year in 2008, when it visited Thiel (Pa.) College on Sept. 6. The Pioneers overcame a six-point deficit in the final minute to score a 21-18 victory and give Coach Filkovski his first collegiate coaching win. After a bye in week two, Marietta could not overcome six turnovers as it fell 34-7 at Wilmington. The Pioneers also dropped their next four games, 45-16 at home against Baldwin-Wallace, 38-6 at #4 Capital, 31-6 to visiting John Carroll and 28-0 at Ohio Northern.

A week eight Homecoming crowd cheered Marietta to a 30-22 victory over rival Muskingum, the Pioneers seventh straight win in the series, which has had seven of the last eight games decided by less than one score. Unfortunately, Marietta did not return to the win column over the final three weeks as it fell 55-0 at Otterbein, 42-40 against visiting Heidelberg and 49-0 versus visiting #1 Mount Union.

The Pioneers had three players garner league honors in 2008. Senior linebacker Grant Cowell earned All-OAC second team honors despite missing the final two games of the season. Cowell, a tri-captain and a 2007 All-OAC honorable mention selection, was the heart of the defense throughout the season. He finished second on the squad in total tackles with 57, 32 of which were solo hits. Cowell also added six tackles for loss and two and one-half sacks in 2008. He had a career-high 14 stops against Ohio Northern in week seven.

Junior Lamar Hunter, an All-OAC honorable mention pick, led Marietta's rushing attack with 135 carries for 557 yards. The tailback, which missed the final game with an injury, scored one touchdown and contributed 4.1 yards per carry and 61.9 yards per game. Hunter also caught 13 passes for 100 yards and one score in 2008. He ran for a career-high 172 yards on 26 carries against Wilmington in week three.

Junior Clinton Thompson also received All-OAC honorable mention. He finished third on the squad in total tackles with 54 hits in 2008. The corner back added one tackle for loss to go along with five pass deflections and one blocked kick. Thompson had a career-best 11 tackles against Baldwin-Wallace in week four.

Two Pioneers—junior George Davis and senior Jamie Schumacher—earned Academic All-OAC honorable mention at the end of the season. Davis, who converted from running back to strong safety, led the Pioneers' defense in total tackles with 67 in 2008. He also paced the team with 45 solo hits and posted a game-high and career-high 11 stops in Marietta's win over rival Muskingum in week eight. In addition to leading the defensive secondary, Davis also spent time returning kickoffs in 2008. The junior averaged 24.8 yards on 17 returns and had a 78-yard touchdown against Heidelberg. The Petroleum Engineering major also received ESPN The Magazine Academic All-District IV second team honors by the College Sports Information Directors of America (CoSIDA) in 2008. Schumacher started all 10 games at linebacker and finished seventh on the squad with 39 total tackles in 2008. The Journalism major added 4.0 tackles for loss on the year.

DON DRUMM STADIUM

Renovations bring a fresh look to a historic facility

There is a fresh look to the historic facility on the 500 block of Pike Street. The renovations were part of the Marietta College Fields Project that was initiated following the re-acquisition of the property from the Marietta City Schools in early 2004.

The new artificial surface (FieldTurf) and track highlights the project and when combined with the cleanup of the entire facility makes Don Drumm once again a showpiece of the College and the Marietta community. It was also the site of the 2009 NCAA Division III Outdoor Track and Field Championship, hosted by Marietta.

From its humble beginnings as a Civil Works Administration (CWA) in the 1930s, Don Drumm Stadium has been the home of many exciting athletic events over the years for both Marietta College and Marietta High School.

Marietta College originally opened a playing field in 1916 to host its football, baseball and occasional track meets at a site located at Fifth and Greene streets.

As the years have passed, the stadium has been used for athletics and other events, all under governance of the city administration. Don Drumm has been the setting for a large pageant during the city's sesquicentennial celebration in 1938, several Special Olympics, Band-O-Ramas and high school graduations.

As the city became less able to finance the costs of the regular upkeep and repair, Marietta College invested money and manpower to carry out normal maintenance. In the 1950s, a heavy windstorm caused severe damage to the lights and funds were obtained from the College and citizens to repair the damage.

In the summer of 1963, the stadium became a major part of a city-wide cleanup campaign enacted by Mayor John A. Burnworth. A major repair and rejuvenation project resulted. The city made $6,000 available and Marietta College added $1,400 into improvements to the running track and the college crews donated 800 to 1,000 man-hours. Some of the improvements included sandblasting and painting the bleachers, new seats, an asphalt walkway from the main gate to the grandstand, paving and curbing in front of the grandstand, provisions for a concession area, and work on the lavatories and locker rooms.

Believing that the stadium was an unnecessary burden, the City, on March 31, 1966, leased it to the College for a 15-year period—playing a key role in the expansion of the campus toward the Ohio River. The College paid all utilities and bore all the costs of maintenance and necessary capital improvements. The College still guaranteed the Marietta School System use of the stadium.

In July of 1966, Marietta College requested to rename the stadium "Don Drumm Field." It was approved by the Stadium Commission and Mayor John A. Burnworth. On Sept. 24, 1966, the field was rededicated.

In 1968, Marietta College football coach Joe McDaniel installed an underground watering system and crowned the field for $15,000. At some point, the College also erected a new press box and a new scoreboard, sharing costs with the MHS Boosters.

In 1981, a few weeks before the lease was to expire, there was a fire under the bleachers, causing $56,569 in damage. After insurance, Marietta College had to pay $17,578. When the lease expired on March 31, the College decided not to renew. On July 15, 1981, the city deeded Don Drumm Field over to the Marietta Board of Education, with Marietta College still receiving preferential rights.

In 1993, Marietta City Schools, with the help of the Tiger Athletic Booster Club, put in state-of-the-art, all-weather track. The eight-lane track was later named Bob Annasenz Track by Marietta High School.

On Aug. 18, 2003 the Marietta City Schools agreed to transfer the property to the South East Ohio Port Authority, a Marietta based economic development organization, which in turn transferred it to the College. This change of ownership set in motion a chain of events that helped bring the much needed improvements to the facility.

HISTORY OF MARIETTA FOOTBALL

2009 Pioneers look to make their own history

Take a long look at the first Marietta College football team on the top right of the next page. Those 15 players may not stack up against today's athletes, but they certainly were a rugged group. The first football team at Marietta College went 1-1-1; its win was a forfeit against Otterbein. In the first game ever, Ohio State pounded the Pioneers 80-0. But much has changed since those early beginnings. Marietta College has a 404-522-36 record in its 100-plus years of action.

It took Marietta just three years to earn its first winning season (5-3 in 1894). The Pioneers remained strong in those early years as Marietta recorded 23 winning seasons in the first 32 years. The shining moment during that time was on Nov. 29, 1906, when Petey Gilman threw a 52-yard pass, one of the first official forward passes in football, in a 12-2 win against Ohio University. Gilman's heave held the forward pass distance record until 1920. Somehow, Marietta's football program could not continue its winning ways and the competition began passing the Pioneers by on the playing field. From 1924-1993, Marietta College had just 16 winning campaigns. There were some bright seasons—8-1 in 1969 and 6-4 in 1986—but it was a down time for the Pioneers.

The 1969 team ranks second on Marietta's all-time list of best seasons, second to 1906 when Marietta went 9-1 (only loss was 4-0 to Ohio State Medical). The '69 squad fell victim to Muskingum in the second game of the season, 17-0. The 1968 campaign was also a strong year for the Navy Blue & White. Marietta College went 7-2 with wins against Muskingum, Mount Union and Heidelberg and a Homecoming win against Otterbein.

The dark days set in on the Marietta College football program in 1981, when the nation's longest losing streak began with a 24-0 loss to Capital to open the season. Marietta went 0-9 in 1981, '82 and '83 then opened the 1984 season 0-7. The Pioneers ended the skid with a 3-3 tie against Ohio Northern on Homecoming and picked up their first win in nearly four years with a 15-12 victory against Wooster. In 1983, Sports Illustrated visited the Marietta College campus and did a story on Pioneer Football entitled "A Losing Proposition."

The 1990s brought forth a new era for Pioneer football. After Mike Schonewolf coached the Pioneers to a 2-8 mark in 1990, Pennsylvania native Gene Epley took over the program and instilled a new pride and enthusiasm. After going 0-10 his first year, Epley strung together three straight non-losing seasons in 1994 (5-5), 1995 (8-1-1) and 1996 (7-3). The '95 season produced some of the greatest excitement Pioneer fans have seen in southeastern Ohio in more than 50 years. Facing

the No. 1 ranked Mount Union Purple Raiders at Don Drumm Field, Marietta put a serious scare in the Ohio Athletic Conference's top team.

Before the game even started, more than 1,500 people lined the sidewalk in front of Greene Street attempting to get into the gates. It was the first overflow crowd in years. By halftime, with the Don Drumm crowd on its feet, the Pioneers had a 16-7 halftime lead. Mount Union took over in the third period and scored 21 unanswered points, but Marietta did not back down. After an 89-yard kickoff return by Danté Brown, the Pioneers were back within five points of the Purple Raiders (34-29). Then quarterback Aaron Conte connected with Ted Jones on a 43-yard TD pass that pulled Marietta ahead 37-34 with 4:20 to play. Mount Union answered with a touchdown to make the score 41-37 with 2:23 left. The Pioneers marched down the field, but with time running out, Conte was sacked to end the game.

In all, the Pioneers have had 28 coaches. Earle "Greasy" Neale was the most successful. He was 14-1 from 1919-20. Later, Neale coached at West Virginia University and professionally. Joe McDaniel (1966-79) has the best winning percentage for a coach with more than 100 games. He was 65-60-2 (.520). The only other two Pioneer football coaches with at least 100 games are Frank Hayes (1927-41), who was 41-60-8 (.413) and Gene Epley (1991-2002), who was 45-73-2 (.383).

MARIETTA ADMINISTRATION

President, Dr. Jean A. Scott

A new era began at Marietta College on July 15, 2000 when Dr. Jean A. Scott became the 17th President of the College. She is the first female president at Marietta College.

"Jean Scott brings a well-rooted appreciation of liberal arts colleges and how they can prepare students for all aspects of life and work," former Board of Trustees Chair Timothy O. Cooper said. "That is a core value, perhaps the core of Marietta College, and Dr. Scott will help us achieve that and other aspects of our vision."

Most recently, Scott was president of Bradford College, in Haverhill, Mass.

Scott graduated with a major in history from Westhampton College at the University of Richmond where she was elected Phi Beta Kappa and earned her A.B. degree in 1968. She then attended Harvard University and received her M.A. in history in 1969 and her Ph.D. in history in 1974.

"I am very excited at the opportunity to lead the college with the rich traditions and bright future that Marietta enjoys," Scott said. "It's especially appealing to take on this challenge when the college is reaffirming its commitment to liberal arts education and what that means in the early 21st century. I am confident we can move the College to the next level of excellence in serving our students, the region and the nation."

Since Scott's arrival at Marietta the campus has grown to include many new buildings and facilities, enriching the educational experience for all of its students.

Athletics Director, Larry Hiser

Larry Hiser joined Marietta College in March of 2008. He oversees a NCAA Division III athletics program with 18 varsity sports and the College's recreation and intramural programs and facilities.

Prior to joining Marietta, Hiser was the Director of Athletics and Head Baseball Coach at Endicott College in Beverly, Mass., from 1995-2008. Under his watch the Endicott teams won 37 conference championships and participated in 47 NCAA or ECAC tournaments. His baseball teams averaged over 20 wins per year in 13 seasons and won five league championships and one ECAC championship. Endicott also successfully launched new programs for equestrian, lacrosse and football, while improving its facilities that now rank among the finest in New England.

He earned a Bachelor of Arts in English from Ohio Northern University in 1987, where he was an all-conference shortstop on the Polar Bears baseball team. He went on to earn a Master of Science in Physical Education/Athletic Administration from Springfield College in Massachusetts, where he was a graduate assistant. He joined Endicott College in the fall of 1994 as the Gulls' first baseball and basketball coach.

The Oregon, Ohio, native is married to the former Susan Chick (of Williamstown, Mass.). The couple has two children, Dan, 10 and Allison, 8.
